11 June 1968

MEMORANDUM FOR THE RECORD

Morning Meeting of 11 June 1968

25X1

DD/I reported that Bruce Clarke has prepared a recapitulation of [REDACTED]

Godfrey briefed on the enemy shelling of Saigon and drew reference to paragraphs 12 through 17 of the 10 June Vietnam Situation Report, which provided an analysis of the objectives of such enemy activity.

Godfrey advised that speculation continues concerning Brezhnev's health, and the Director asked the DD/I to take up contact with Ambassador Thompson concerning this question.

Godfrey provided a recently completed study on Cuban subversive policy in Bolivia which underlines the Cuban challenge to traditional Communist parties. The Director asked Godfrey for two additional copies of the study.

25X1

[REDACTED]

DD/S briefed on the recent inauguration of the Federal Executive Institute, noting that there will be three spaces for Agency officers in grades GS-16 and above during the Institute's FY 69 program.

[REDACTED]

Maury briefed on his meeting with Congressman Henderson and Messrs. Bray and Johnson of the House Post Office and Civil Service Committee concerning S. 1035, noting that Congressman Henderson will be putting a substitute bill into the hopper today and has requested a letter from the Director asking for an executive session to hear his testimony.
